

LIGNO ROAD BINDER

ENVIRONMENTALLY FRIENDLY FOR A BETTER TOMORROW!

LIGNO is a 100% biodegradable dust abatement solution that has gained wide spread use for fugitive dust control.

LIGNO is applied to dry roadbeds. No need for water trucks.

LIGNO stabilizes roads making them water resistant and reducing mud and chuckholes.

LIGNO reduces the need for frequent blading. One application normally last the summer season.

LIGNO is formulated to be non-corrosive, unlike other dust suppressants (magnesium chloride or calcium chloride), so it will not harm valuable equipment.

LIGNO is easily cleaned up with soap and water (any common household dishwashing liquid).

- ❖ NO CHEMICALS
- ❖ NO SOLVENTS
- ❖ NO CHLORIDES
- ❖ NO PETROLEUM
- ❖ NO CORROSION
- ❖ NO SULFATES
- ❖ NO VOC'S

NO PROBLEM WITH LIGNO ROAD BINDER

100% ENVIRONMENTALLY FRIENDLY
